Simply delicious coffee

With aroma twister for the best taste experience

Enjoy the taste and aroma of freshly brewed coffee with this reliable Philips coffee maker. Thanks to the aroma twister, enjoy an optimal taste in each cup of coffee. With the timer, you can wake up with the smell of fresh coffee.

Designed around you

- 1,2 Liter capacity for 2 - 15 cups

Great taste and aroma

- Aroma twister circulates the coffee for an optimal taste

Easy to experience

- Water level indication for easy filling
- Drip stop to pour a cup of coffee whenever you like
- Auto shut-off after 30 min. for energy saving and safety
- Dishwasher-safe parts for easy cleaning
- Timer to wake up with the smell of fresh coffee

Highlights

Automatic shut-off (30 min)

Auto-off

30 Minutes after brewing your coffee, the coffeemaker switches off automatically for energy saving and safety. This is according to EU regulation, which is applicable for all coffee makers in the EU. If you want your coffee to stay hot longer, Philips offers coffee makers with a thermal jug.

Drip stop

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

Aroma twister

This smart nozzle inside the jug circulates the inflowing coffee evenly through the jug for an optimal and consistent aroma, from the first to the last cup.

Dishwasher-safe parts

The jug and filter holder can be easily cleaned in the dishwasher.

Timer

Wake up with the smell of fresh coffee thanks to the timer. Prepare your coffee maker, set the time, and a fresh jug of coffee is brewed at the time you desire.

Smart water level indication

Fill the water tank easily and precisely with the water level indication.

1.2 Liter capacity

This coffee maker can brew 2 up to 10 (large) / 15 (small) cups of coffee. This is maximum 1,2 liter. However, this coffee maker has a compact design and takes little place in your kitchen.
