**GAGGIA**  
MILANO

## HIGHLIGHTS

### Digital display

Whatever you want to do with your Gaggia - the digital display makes navigation much easier and gives instant feedback on the status of your Espresso machine.

### Coffee customization

With Saeco you can always easily select the coffee length, intensity, temperature and strength you prefer. Your personal settings are memorized so you can enjoy your favourite coffee at the touch of a button.

### Adjustable Grinders

Adjustable Grinders

### Pre-brewing system

Pre-brewing for even more enjoyment. Thanks to the Pre-brewing Technology, the coffee grounds are moistened before the actual brewing process – ensuring that the aroma can unfold even better.

### Removable brewing group

The removable brewing group in your full-automatic Espresso machine allows for easy cleaning and maintenance and can even be replaced separately if necessary. This saves money and increases the machine hygiene for a flawless coffee taste.

### Setting Menu

Setting Menu for your parameters

### Stainless steel

The cutting-edge design of your Saeco espresso machine is rounded off by the stainless steel finish. The stainless steel provides a high quality look and will be a highlight on your kitchen counter tops. It also gives greater resistance for a long-lasting performance.
