

Philips Azur Performer Plus
Steam iron

Steam 45g/min; 180g steam boost

SteamGlide Plus soleplate
Safety Auto off + Anti-calc
2400 Watts

GC4512/20

Faster, Easier and Smarter

With easy calc clean system

The Philips steam iron Azur Performer combines powerful performance with ease of use. The Quick Calc Release for easy de-calc, Auto Steam Control and SteamGlide soleplate, this iron delivers long lasting steam performance.

Fast and powerful performance

- 2400W for quick iron heat up
- Steam output of up to 45 g/min for better crease removal
- Steam boost up to 180 g

Easy gliding on all fabrics

- SteamGlide Plus soleplate: Our best gliding, faster ironing

Safe ironing

- Iron switches off automatically when left unattended
- Self-Clean for effective calc removal
- Quick calc release to remove scale from your steamer

Comfortable ironing

- Auto Steam Control for the right steam for each garment
- Optimal weight for easier manoeuvrability over your garments
- Triple precision tip for optimal control and visibility

PHILIPS

Highlights

2400W for quick heat up

With the 2400W the Azur Performer Plus steam iron will heat up quickly and give a powerful performance to deliver super ironing results.

SteamGlide Plus soleplate

Our best gliding SteamGlide Plus soleplate to whizz through your ironing. The carefully designed vents secure a well balanced steam distribution.

Auto Steam Control

Auto Steam Control takes away your worry for selecting the amount of steam you need. Just select the temperature for the garments you're ironing and off you go.

Steam up to 45 g/min

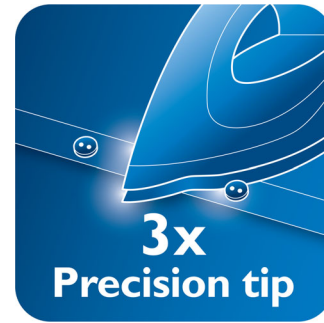

Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

Self-Clean

In addition to the built-in calc container, the self-clean function of your soleplate will remove the most stubborn calc. A clean soleplate will improve your steam performance and ironing results.

Triple Precision Tip

The pointed tip on the Philips Azur Performer is very precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. The Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Steam boost up to 180 g

The steam boost can be used for vertical steaming and tough creases.

Automatic shut-off

The steam iron shuts off automatically when left unattended. It will switch off after 8 minutes when left standing on its heelrest and after 30 seconds when left resting on its soleplate or sides.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.
