#### Milk frother

## Highlights

#### Multifunctional

Not only for a variety of delicious hot & cold coffee recipes like Cappuccino and Latte, but also for delicious Milk drinks like Milk Tea.

#### For Hot & Cold recipes

The milk frother provides the freedom to create and enjoy a variety of hot and cold coffee recipes at home such as a latte macchiato, cappuccino or the perfect iced coffee.

#### Non-stick coating

Cleaning the Philips milk twister requires only a rinse and a swipe of towel thanks to the nonstick.

#### **Dishwasher-safe parts**

The whisker and lid of the Philips Milk frother are dishwasher-safe for easy cleaning.

#### Milk foam for 2 cups

With a capacity of 120 ml the milk foam prepared with the Philips Milk Twister will be enought for 2 cups.

#### Cordless, 360 degree base

The milk frother can be lifted off the base for filling the milk foam easily. Placing the milk frother back is equally easy due to the round connector. CA6500/63
