

Philips
Deep fat fryer

2400 W, auto-shut off, timer

HD6145

Enjoy the food, share the fun

Clean and long-lasting oil with cool zone system

With its cool zone system, this Philips deep-fat fryer prevents food particles from burning, which keeps the oil cleaner for longer. Fried food has never been tastier! All parts except the control panel are dishwasherable for easy cleaning.

Cool zone system for cleaner, longer-lasting oil

- Prevents food particles from burning for cleaner and tastier frying

Hassle-free preparation

- Removable multi-layer filter reduces unwanted frying smells
- Digital timer allows pre-setting of frying time
- Extra large capacity for family-sized servings
- High power for quick and tasty food

Quick and easy cleaning

- All parts are dishwasherable except control panel
- Removable inner bowl for easy oil pouring and cleaning
- Additional oil container: ideal for oil filtering & storage

Safe to use

- Fryer switches off automatically 120 minutes after frying
- On/off switch for additional safety
- Rise and fall frying basket prevents oil splashes

Product highlights

Cool zone system

Prevents food particles from burning. This keeps the oil cleaner, which is better for your health, and longer-lasting. Your food has never been tastier!

Removable multi-layer filter

Reduces unwanted frying smells and is dishwasherable. There is no need for replacement.

Dishwashable parts

All parts are dishwasherable except control panel, for quick and easy cleaning.

Additional oil container

Ideal for oil filtering & storage. Filtering keeps the oil cleaner - which is better for your health - and longer-lasting. The container can also be used for storing used oil.

Auto-shut off switch

Ultimate safety: fryer switches off automatically 120 minutes after the last frying session.
