Wake up to fresh bread every day

Bake any flavour. It's easy and delicious!

You will love the irresistible smell of fresh warm bread every morning! It's very simple.... Add your ingredients at night, set the delay timer for next morning, and let the Philips bread maker do the rest.

Bread just the way you like it

- 14 pre-set programs to bake bread, make dough and even jam
- 3 browning levels for your preferred crust
- Bake two sizes of loaf up to large 1kg
- Up to 13-hour delay timer to wake up to freshly baked bread
- 'Add' indicator for specialty breads with extra ingredients

Great results with ease

- Friendly design which is super silent (< 55 dbA) and compact
- Very comfortable control panel position for all users
- Handy recipe booklet included
- Measuring cup and spoon included
- Large viewing window to let you watch bread rise and brown

With maximum safety

- Integrated non-slip handles for easy and safe handling
- The base stays cool and safe to touch

Highlights

Integrated non-slip handles

If you need to move your breadmaker or store it in a cupboard, you'll be glad of the sturdy integrated non-slip handles that make it easy to lift and move around.

Safe-to-touch base

The base stays cool and safe to touch

14 programs for bread and jam

The Philips breadmaker has 14 easy-to-use preset programs that bake any bread to perfection, from rich and satisfying whole wheat to gluten free, French and sweet varieties. It also makes specialty breads such as Borodinsky, Easter bread and delicious dough for pasta, even jams too. Whatever you bake, it's always delicious and easy to do because the pre-sets take care of the temperature and time for the best possible results. If you're in a hurry, you can use rapid program for quicker result, or even super rapid program that just bake in one hour only.

2 bread sizes for selection

Bake just the right amount of bread for your needs. Simply choose the loaf size on the control panel to bake medium (750g) or large (1000g) depending on your needs.

3 browning levels

Thanks to the advanced temperature control system, the Philips VIVA breadmaker let you enjoy your bread just as the way you like it, whether light, medium or dark crust, only with a simple push on the control panel.

'Add' ingredients indicator

During the mixing stage, the breadmaker will give 'beep' sounds to alert you to add other special ingredients to your specialty bread if you wish.
