Steam iron

Premium

GC4440

## Power with precision

### Easy crease removal with Ionic DeepSteam

For easy removal of the toughest creases, this powerful steam iron with Ionic DeepSteam is just what you need. Together with the SteamGlide soleplate, it gives you great gliding with powerful steam, reaching deep into the garment.

#### **Ionic DeepSteam**

- Smaller steam particles reach deeper into toughest creases

#### **Easily removes creases**

- Continuous steam of up to 40 g/min for better crease removal
- 100 g/min steam boost to remove stubborn creases easily

#### **Smooth gliding**

- SteamGlide soleplate for powerful steam and superb gliding

#### **Reaches into tricky areas**

- Steam Tip lets you iron right into hard-to-reach areas

#### **Comfortable ironing**

- Extra long 3 m lead for maximum reach

**PHILIPS**  
sense and simplicity

# Specifications

## Fast and powerful ironing

- Power for quick heat-up and constant high steam: 2400 W

## Easily removes creases

- Steam boost for the most stubborn creases: 100 g/min
- Continuous high steam for better crease removal: 40 g/min
- Ionic Deepsteam: Smaller steam particles reach deeper into toughest
- Fine spray: Fine spray evenly moistens the fabric
- Steam Tip: For hard to reach areas
- Vertical steam: For hanging fabrics

## Smooth gliding

- SteamGlide soleplate

## Comfortable ironing

- 360-degree swivel: Provides maximum freedom during ironing
- Drip-stop: Keeps your garment spotless while ironing

- Ergonomic soft grip for lasting ironing comfort
- The iron is suitable for use with tap water

## Safe ironing

- Exceeds international drop test standards
- Automatic shut-off when iron is left unattended

## Longer living

- Double Active Calc System: Prevents and flushes out scale particles

## Technical Specifications

- Voltage: 220-240 V
- Power: 2400 W
- Frequency: 50–60 Hz
- Product dimensions: 303 x 120 x 152 cm
- Product weight: 1.70 kg
- Water tank capacity: 335 ml

## Accessories

- Cord binder for easy cord storage
- Heat protective cover: Allows for immediate storage

# Highlights

## Ionic DeepSteam

The ionisation process creates smaller steam particles that reach deeper into the fabric. This means even the toughest creases are removed easily.

## Steam Tip

The unique Steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

## Automatic safety shut-off

The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.

## Heat protective cover

Heat protective cover allows immediate safe storage after use

## SteamGlide soleplate

The specially designed soleplate combines small vents for superior gliding on all fabrics and large vents for powerful crease removal
