- SteamGlide soleplate is Philips premium soleplate

Iron up to 3 hours without refilling

- Xtra large detachable 1.4 liter water tank

Save energy consumption

- Save 20% energy and 40% water consumption

PHILIPS

Highlights

Up to 5 bar pressure

Up to
5 bar

The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing faster and better. Steam power can be regulated to fit your needs.

Detachable water tank

Xtra Large detachable water tank

To make ironing effortless you need a lot of steam. High steam output means a lot of refilling. The extra large 1.4 l water tank reduces the need of refilling.

Lightweight

The iron is only 1.2 kg making ironing easy and effortless.

Steam ready in 2 minutes

Steam is ready to use in 2min and can be refilled at anytime during ironing.

Eco-setting

Save 20% energy and 40% water consumption by selecting the eco-setting on your Philips Iron. The eco-setting offers the most energy efficient way to obtain perfect ironing results.

Continuous steam

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

Steam boost up to 180 g

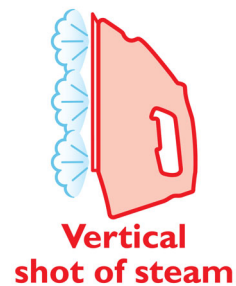

The steam boost can be used for vertical steaming and tough creases.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.
