# Highlights

## Powerful cordless blending

The Robust Cordless hand blender is equipped with powerful 7.4 V Li-ion batteries, which have a running time up to 20 min.

## 3 years guarantee

3 year product guarantee will be provided upon registration within 3 months after purchase.

## Ice-crushing chopper

The Robust hand blender has an extra large chopper to easily process larger amounts of ingredients. It also comes with serrated blades, so strong that they even crush ice.

## Ready-to-use charging stand

The Robust Cordless hand blender is designed to be always ready to use. The ready-to-use charging stand allows you to use the cordless hand blender any time you want. The LED charging light gives you intuitive feedback and flags signals to recharge when batteries are running down.

## Innovative bar-design

The innovative bar design of this Philips hand blender successfully reduces the suction force and thus improves the ingredient flow and brings perfect blending results in a short time.

## Long-lasting aluminium bar

It is built with high quality and durable materials in all details. The bar is built of long-lasting aluminium and the knife is made out of stainless-steel.
