PHILIPS

Highlights

Compact size

The compact size of this vacuum cleaner makes it easy to maneuver during usage and easy to store after use.

Lightweight

The light weight of this vacuum cleaner makes it easy to carry.

High suction power

High suction power for great cleaning results

Big rubber wheels

The big wheels make sure it is easy to drive over obstacles such as thresholds and because they are

made with soft rubber on the outside your floors will not be damaged. These wheels guarantee easy maneuvering.

Two carrying handles

This vacuum cleaner has one carrying handle in the front and one on the top. This makes carrying easy before, during and after use.

Clean Air HEPA filter

The High Efficiency Particulate Air filter filters fine dust from the air. This guarantees more dust is captured.
