HR7995/00

Fresh juice or sauce from tomatoes and soft fruits

Masticating juicer accessory for Meat Mincers

This Philips Avance collection Meat Mincer accessory has been carefully designed to provide the best pressing of juices and sauces while being the most easy to assemble, use and clean. For use with Philips Viva and Avance Meat Mincers.

Easiest assembly, use and cleaning

- Detachable parts for easy cleaning
- Dishwasher safe parts

Well suited for many models

- Fits Philips Viva and Avance Meat Mincers

Enjoy freshly made juices and sauces

- Easily adjustable fineness of juice or pulp
- Easily separates skin and seeds from the juice and pulp
- Presses tomatoes, berries, oranges and other soft fruits

Highlights

Adjust fineness of juice

Simple turn the screw at the front of the strainer in a clockwise direction to make finer juicer and drier pulp.

Detachable parts

This accessory consists of five parts and a pusher which are easily disassembled for easy cleaning.

Dishwasher safe parts

All Avance Food Processor accessories included in your box are dishwasher safe.

Easily separates skin and seed

Place a glass or bowl under the strainer to collect juice and another at the front of the strainer to collect pulp. The wetness of pulp and fineness of juice and pulp is easily adjustable by turning the pulp screw at the front.

Well suited for many models

Fits Philips Viva and Avance Meat Mincers.

Presses tomatoes & soft fruits

Presses tomatoes, berries, oranges and other soft fruits.
