Highlights

Flavour Booster

The unique Flavour Booster of the Philips steamer adds delicious aroma of herbs and spices, bringing even more taste to steaming. Simply pop your favourite herbs and spices into the booster, and let steam do the rest. The heat from the steam releases delicate aromas from the herbs and spices, which thoroughly infuse the food with their mouth-watering flavours.

XL steaming bowl

With the XL steaming bowl you can prepare more varied tasty meals for your family. XL steaming bowl for soup, stew, rice and more.

60-minute timer

60-minute timer with ready signal and auto shut off.

External water inlet

External water inlet for refilling reservoir during use.

Stackable steaming tiers

Stackable steaming tiers use less space for storing.

Dishwasher-safe parts

Dishwasher-safe parts make cleaning easy.
