Double your ironing speed with pressurized steam

Compact powerful ironing system with Carry-lock

Have all the convenience of a compact and portable sized system iron and double your ironing speed with pressurized steam.

Fast and powerful ironing

- Up to 4 bars of steam pressure for fast ironing
- Continuous steam up to 100 g/min for fast crease removal

Comfortable ironing

- Ergonomically and lightweight 1.2kg iron
- Non-stick soleplate coating

Easy to use

- Lock and carry your system effortlessly with one hand
- Variable steam settings to suit every garment
- Easy set-up and storage

ECO-setting: Save energy consumption

- Save 20% energy and 40% water consumption

PHILIPS
sense and simplicity

Specifications

Comfortable ironing

- Anti-scale management: Easy Rinse
- Cord length: 1,9 m
- Ergonomic iron design: Ergonomically designed iron for comfortable ironing
- Hose length: 1.7 m
- Safe in use: Overheat safety stop
- Suitable for tap water
- Water tank capacity: 800 ml

Crease removal

- Continuous steam: Up to 100 gr/min
- Pressurised Steam: Up to 4 bar
- Soleplate: Optimal vent pattern
- Vertical Steam: Continuous vertical steam

Easy to use

- Control: Steam ready light, Temperature ready light, Variable steam settings, Water tank empty

- light
- Easy to set up and store: Carry-lock, Compact design, Easy cord and hose storage
- Reaching tricky areas: Button groove, Steam tip

Smooth gliding

- Soleplate: Non-stick soleplate

Technical specifications

- Boiler wattage: 1370
- Frequency: 50-60
- Iron wattage: 800
- Start-up time: 6
- Voltage: 220 - 240

Weight and dimensions

- Product dimensions: 319 x 199 x 166
- Product weight: 5,25

Highlights

Up to 4 bars steam pressure

Double your ironing speed with pressurized steam. Pressurized steam penetrates deep into fabrics, making your ironing fast and easy, even on difficult fabrics.

Continuous steam up to 100 g/m

Continuous steam output up to 100 g/min thanks to the small amounts of water that are pumped into the boiler each time. For perfect and fast crease removal.

Ergonomic iron

The ergonomic design of the iron facilitates comfortable ironing by putting less strain on the wrist. The upward sloping handle ensures a natural position reducing strain during ironing. The iron design also prevents the repetitive movements caused by placing an iron on its heel. The iron is light (1.2kg) for an easy & comfortable ironing experience.

Carry-lock

Carrying your steam system has never been so easy. Lock your iron to the base by using the lock-lever at the back and carry the entire system with a single hand. This enables you to carry and store your system immediately and safely, anytime you want.
