# Highlights

## 2-button release system

With the 2-button release system of the Philips handblender it is easy to remove the blending bar for easy cleaning.

## Slim-grip

The Daily Collection Hand blender has a slim-grip to fit any hand.

## Strong 550 W motor

Strong 550 W motor for the toughest ingredients.

## ProMix blending technology

The Philips handblender ProMix technology was developed together with the prestigious Stuttgart University. It is an advanced technology for more consistent and faster blending. The unique ProMix blending technology of Philips hand blenders uses a triangular shape to create an optimal flow and gives maximum performance making silky smooth soups and smoothies.

## Masher accessory

With the masher accessory for the Philips hand blender you can mash potatoes silky smooth.
