Discover fuller flavors

Grill with temperature range and digital timer

Grilling time and temperature are crucial for tasty results. The Philips electric grill HD4469/90 offers a wide temperature range (70 °C to 230 °C) and a digital timer (up to 60 minutes) to help you achieve these results.

Discover variety of fuller flavours

- Wide temperature range
- Gently grilling
- Digital timer
- Recipe booklet
- High power for heating up fast and keeping a constant heat

3 in 1 grill

- Multiple grilling positions: table, oven, contact grill
- Table grill position
- Oven position
- Contact grill position

Simplicity in use

- Non-stick grilling surface
- Dishwasher-safe plate
- Grease tray

Highlights

Wide temperature range

Wide temperature range: up to 250°C for sealing the meat.

Digital timer

Digital timer signals when your food is ready.

Dishwasher-safe plate

Dishwasher-safe plate for easy cleaning.

Grease tray

Grease tray collects excess fat.

Multiple grilling positions

The Philips electric grill can be used with the lid sealed, fully open or gratin, allowing you to prepare many different dishes. 1. The sealed position holds in all the flavour and is ideal for grilling meat, fish, vegetables or sandwiches. 2. The fully open position is like a mini-barbeque, perfect for table grilling, fun cooking or warming up your food. 3. The gratin position is suitable for melting cheese onto toast or vegetables such as tomato and courgette.

Recipe booklet

Recipe booklet for right grilling temperature and time.
