Highlights

Bean-to-cup espresso

Your favorite beans are always freshly ground so their entire aroma is captured in every cup. This way Philips-Saeco bean Saeco bean-to-cup espresso machines deliver excellent and fresh coffee enjoyment day after day.

Auto coffee circuit cleaning

This feature makes sure that each and every coffee is as fresh as possible: Before going into and when returning from stand-by mode, the machine automatically cleans its coffee circuit.

Removable brewing group

The brewing group is at the heart of every fully automatic coffee machine and it should always be kept clean. A task that doesn't get any more convenient than with a Saeco: remove, rinse and re-insert – finished.

Small and energy efficient

Small size and frontal access to all functionalities make sure that the Philips Saeco Xsmall automatic espresso machine fits in every kitchen. And thanks to its efficiency (Class A according to Swiss regulation) and auto shutdown it's very kind to the environment.

Ergonomic day-by-day

Philips-Saeco is a synonym for convenience: refilling beans or water, emptying the coffee-dump box or the drip tray, all compartments are directly accessible.

Adjustable Grinders
