Have it your way, exactly your way

Toaster for different types of bread

This Philips toaster HD2686/90 enables you to prepare the kind of toast you want, thanks to the extra long, extra wide slots. The eight digital browning settings give you full control so you get the crispy toasted bread you like.

Toast any type of bread

- Extralong slots to fit all kinds of bread
- Extrawide and extradeep slot(s) to fit your bread
- Evenly toasts thick or thin slices

Exactly the way you like

- Bun warming rack to warm buns and croissants
- Defrost and toast frozen bread at any browning level
- Reheat setting warms or further browns just toasted bread

In the easiest way

- Cancel button to stop toasting at any time
- High lift feature to safely take out small pieces of bread
- The outside of the toaster stays cool and safe to touch
