**PHILIPS**  
sense and simplicity

Sandwich maker  
900 W

# Specifications

## General specifications

- Non-slip feet

## Technical specifications

- Power: 900 W

## Design and finishing

- Colour(s): White/yellow/silver

HD2430/80

# Highlights

## Adjustable thermostat

Adjustable thermostat ensures the perfect result.

## High power

The high power of the appliance enables the grill plate to heat up fast, reaching operating temperature very quickly and saving you precious time. It also means that the grill surface keeps its heat when food is placed onto it because the high power ensures a fast recovery to the correct temperature.

## Cut and seal plates

The cut and seal plates of the Philips sandwich maker seal ingredients inside the sandwich.
