Highlights

12 programs for bread and jam

The Philips bread maker has 12 easy-to-use pre-set programs for baking any bread to perfection, from rich and satisfying whole wheat to gluten-free, French and sweet varieties. It also makes delicious dough for pasta, and even jams. Whatever you bake, it's always delicious and easy to do because the pre-sets take care of the temperature and time for the best possible results. If you're in a hurry, you can use the rapid program for a quicker result, or even the super-rapid program, which bakes in just one hour.

3 browning levels

Thanks to the advanced temperature-control system, the Philips VIVA bread maker lets you enjoy your bread just the way you like it, with a light, medium or dark crust, with just a simple push on the control panel.

Up to 13-hour delay timer

Enjoy the irresistible smell of fresh warm bread every morning – a true treat and the perfect way to start the day! Simply set the delay timer the night before and the bread maker will

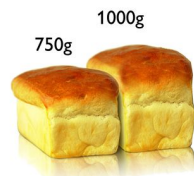

prepare and bake your loaf while you sleep for freshly baked bread to eat the moment you wake up, or whenever you like.

'Add' ingredients indicator

During the mixing stage, the bread maker will make 'beep' sounds to alert you that it is time to add other special ingredients to your speciality bread if you wish.
