# PHILIPS

## Highlights

### Steam tip

The unique steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

### Drip-stop system

#### Drip stop

Drip Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

### Double Active Calc System

#### Double active calc

Double Active Calc system prevents scale build-up through anti scale pills and an easy to use calc clean function.

### Auto Energy Saving

**Automatic Energy Saving** The innovative feature in the Philips steam iron, makes sure you get the 100% steam power to remove creases thoroughly. At the same time, it saves energy automatically, because it eliminates wasted steam.

### Soft grip

The soft handgrip allows for comfortable ironing even during longer sessions.

### Steam boost up to 130 g

Steam boost enables you to easily remove even the most stubborn creases.

### Auto off

Auto off, switches appliance off automatically when left unattended
