Highlights

25% larger steam plate*

This EasyTouch Plus steamer is equipped with a 25%-larger steam plate* compared to previous models. This allows you to cover more fabric in one stroke, making steaming your garment more efficient.

Special garment hanger

Special garment hanger lets you easily hang garments including shirts, dresses and trousers while using the steamer.

Safe to use on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk and cashmere.

3 steam levels

Set your preferred steam level for optimal results on different kinds of fabric.

Powerful continuous steam

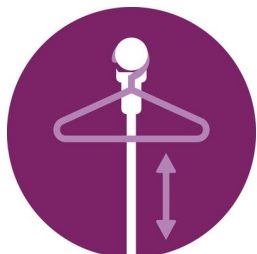

Powerful continuous steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

Easy de-calc function

Prolong the lifetime of your appliance by using the Easy de-calc descaling function regularly.

Adjustable pole

Integrated adjustable pole for hanging your garments while using the steamer. Collapsible for easy storage.

Large detachable water tank

Large, detachable, transparent water tank suitable for long steaming sessions. Easy refill with large filling hole.

Glove for extra protection

A glove to protect your hand during steaming is included.
