Clear water, cleaner kettle

Double action anti-scale filter

Elegant kettle that stays clean longer and keeps water free of limescale flakes due to the Double Action filter. Pilot light illuminates when kettle is on, alert sound and automatic shut-off indicate when water has reached boiling point.

Easy to experience

- Bell rings when your water is ready
- Light indicates when kettle is switched on
- Double water level indication for left- and right handed use
- Cordless 360° pirouette base for easy lifting and placing
- Base allows cord storage

Quick and easy cleaning

- Flat heating element for fast boiling and easy cleaning
- Double action filter for clearer drinks and cleaner kettle

Safe to use

- Lid stays cool for a safe touch
- Hinged locking lid: easy to use, maximum safety

Highlights

Pirouette 360° center connector

Cordless 360° pirouette base for easy lifting and placing

Double action anti-scale filter

The Double Action filter works two ways: a scale collector attracts scale from the water, and the regular filter prevents the remaining particles from being poured into your drink.
