- No burns guaranteed with OptimalTemp technology

Highlights

Powerful and quick

Up to 32g/min powerful steam for quick results everyday.

Ready in 60 seconds

Ready to use in just 60 seconds.

Heated plate for quick results

Steam your outfit in as little as 3 minutes**. The heated plate prevents condensation on your garments for quick results.

Steam laying or hanging

Steam hanging clothes or press-steam them laying flat with our heated plate. No ironing board needed!

Unique De-Calc Technology

Thanks to the patented and unique De-Calc Technology, your appliance can last longer with the same steam performance.

StyleMat included

StyleMat provides support for final crisp touch for steaming in hanging and laying use.

230ml Water tank

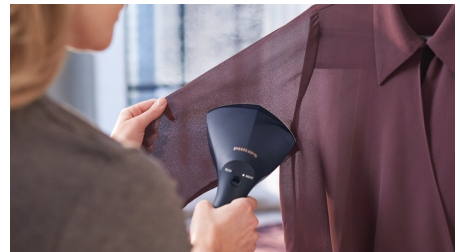

12 minutes of non-stop steaming! The 230ml water tank enables you to steam up to 5 garments or two outfits without refill. More than enough for quick touch ups before leaving the house.

Steam kills 99.9% of bacteria*

Past few months made us look more for healthy and hygienic solutions. Our handheld steamer kills up to 99.9% of the bacteria*. You can even steam your curtains and bed sheets.

Safe on all ironable fabrics

No burns guaranteed with OptimalTemp technology. The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk and cashmere.
