Designed for perfection

Iron with powerful steam performance

This new Philips Azur GC4850/02 iron comes with an optimal design and weight to manoeuvre the iron easily over the garment, even into the hard to reach areas. With its powerful steam performance it gives you all you need for perfect results.

Easily removes creases

- Steam output of up to 50 g/min for better crease removal
- 2600 W for quick heat-up and powerful performance
- Steam boost up to 180 g

Easy gliding on all fabrics

- SteamGlide Plus: perfect mix of gliding and stretching

Longer lifetime

- Double Active Calc System prevents scale build-up

Designed for perfect results

- Optimal design to manoeuvre the iron easily over the garment
- Lightweight to move the iron easily on and off the board
- Steam tip allows you to have steam in hard-to-reach areas
- Sideways-opening filling door
- Automatically turned off for safety and energy saving

Highlights

Safety auto off

Safety auto off

The safety auto-off function automatically switches off the appliance if it has not been used for 5 minutes, to save energy.

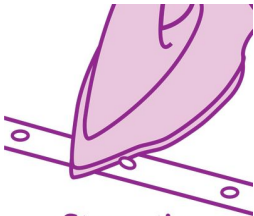

Double Active Calc System

Double active calc

The Double Active Calc system of your Philips steam iron prevents scale build-up through anti-scale pills and an easy-to-use calc clean function.

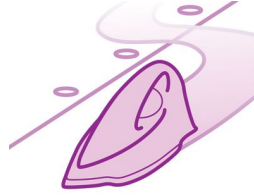

Steam tip

Steam tip

The unique steam tip of this Philips iron combines a particularly pointed front of the soleplate with special elongated steam slots in the tip to reach right into the smallest and most difficult areas for the best ironing results.

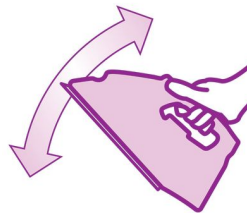

Easy to handle

Easy to handle

The Philips steam iron is designed to move over the garment easily, enabling you to reach even the hardest-to-reach areas easily.

Lightweight iron

The iron has an optimal weight of 1.6 kg making it easy to constantly place the iron on the board and back to its heelrest.

2600 W for quick heat-up

2600 W max

2600 W for quick heat-up and powerful performance.

Steam up to 50 g/min

50 g

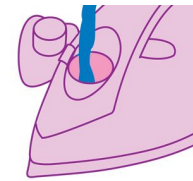

Continuous steam output of up to 50 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 180 g

The steam boost can be used for vertical steaming and tough creases.

Easy filling

Sideways opening

Sideways-opening filling door

SteamGlide Plus soleplate

For the best results you need a soleplate that has the optimal balance between gliding and stretching. This is offered through SteamGlide Plus with its easy glide zone and perfect stretch zone.
