Highlights

Pressurised Crema filter

This special crema filter guarantees a long lasting delicious crema

15 bar pump

High pressure ensures that the entire aroma of the ground coffee is always fully extracted

Classic milk frother

This Saeco espresso machine comes with the classic milk frother that baristas call a "Pannarello". It dispenses steam and is immersed in milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialties the traditional way!

Cup holder

With this practical feature you can store your espresso cups and glasses right on the espresso machine - always within reach and conveniently stored without taking up space.
