

Philips PerfectCare
Performer
Refurbished Steam
generator iron

Refurbished product

Max 6.5-bar pump pressure
Up to 420 g steam boost
Detachable 1.8 l water tank

GC8735

Ultra-fast ironing

with powerful continuous steam

The Philips PerfectCare Performer steam generator iron ensures a truly simple, powerful and burn-free ironing experience. The powerful continuous steam penetrates deeply and continuously into the fibre to remove creases easily.

No temperature setting needed; no burning, guaranteed

- Go from ironing jeans to silk; no need to change temperature setting
- Safe to leave the hot soleplate on the ironing board

Fast ironing with continuous powerful steam

- Save energy with ECO mode
- Integrated easy-clean system for long-lasting performance
- Philips' best gliding with increased scratch resistance
- Powerful steam for ultimate crease removal

Extra convenience

- Enjoy powerful ironing with minimum noise
- Automatic switch-off for safety and energy saving
- SoftGrip comfortable handle with ergonomic shape
- Large detachable water tank for easy refilling
- Lightweight steam generator for easier handling
- Safe and secure carry lock

Refurbished Steam generator iron
Refurbished product Max 6.5-bar pump pressure, Up to 420 g steam boost, Detachable 1.8 l water tank

GC8735/80R1

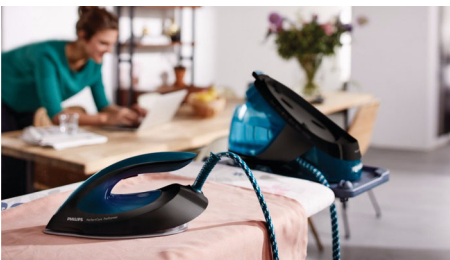

Highlights

OptimalTEMP technology

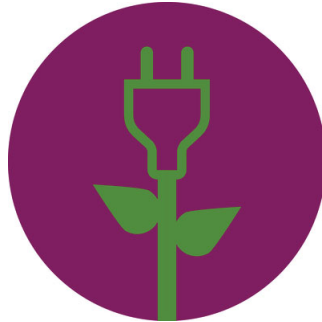

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron all fabrics, from jeans to silk, with no burning guaranteed thanks to the perfect combination of temperature and continuous powerful steam.

Safe rest

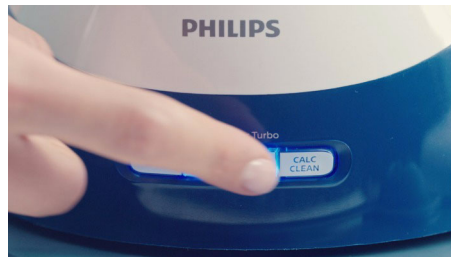

Innovative OptimalTEMP technology guarantees no burning on any ironable fabric. As well as the reassurance this provides whilst ironing, it also means you can leave the hot iron soleplate directly on your cotton ironing board without causing any damage. This helps to reduce any discomfort to your wrists, as you won't need to lift the iron to and from its base as often.

Energy saving

ECO mode allows you to save energy without compromising your ironing results. The ECO mode uses a reduced amount of steam, but still a sufficient amount to iron all your garments.

Smart Calc-Clean

Regular descaling protects your iron and maintains steam performance. The Smart Calc-Clean system is an integrated descaling and cleaning function to extend the lifespan of your steam generator iron. The iron will remind you with both light and sound that cleaning and descaling is needed. Simply place your iron onto the Smart Calc-Clean container and start the process. It takes approx. 2 minutes for the dirty water and scale to be collected; your steam generator will beep once it's finished and ready to use again.

SteamGlide Plus soleplate

The SteamGlide Plus soleplate is durable and non-stick because of the ceramic finishing. It has an integrated titanium oxide layer for superior gliding performance.

Ultra-powerful steam

An ultra-fast ironing experience can be yours with revolutionary technology. The powerful and continuous steam tackles even tough creases, and thicker fabrics are smoothed out with ease and speed. Plus there's an extra steam boost if needed, perfect for vertical steaming or stubborn creases.

Quiet technology

Powerful steam doesn't have to mean noisy ironing. Enjoy ironing with family around, whilst watching TV or when listening to music, without being disturbed by the noise. The steam generator iron is fitted with a sound-absorbing platform to reduce the vibration noise in the base.

Specifications

Technology

- For all ironable fabrics
- No burns
- OptimalTEMP technology
- ProVelocity steam engine
- Smart Control Processor
- Quiet pump

Fast crease removal

- Continuous steam: Up to 120 g/min
- Power: 2600 W
- Pressure: Max 6.5-bar pump
- Ready to use: 2 min
- Steam boost: Up to 420 g
- Steam-on-demand
- Variable steam levels
- Vertical steam

Easy to use

- Safe on all ironable fabrics: Even delicates like silk
- Soleplate gliding performance: 5 stars
- Soleplate name: SteamGlide Plus
- Detachable water tank
- Hose length: 1.6 m
- Power cord length: 1.8 m
- Precision steam tip
- Ready to use: Light indicator, Sound indicator
- Refill anytime during use

- Safety auto off
- Soft grip
- Soleplate scratch resistance: 4 stars

Scale management

- Descaling and cleaning: Smart Calc Clean
- Descaling reminder: Light, Sound, Yes

Storage

- Carry lock: For transportation and safety
- Cord storage: Velcro fix, Yes
- Hose storage: Hose storage compartment

Size and weight

- Packaging dimensions (W x H x D): 24.6 x 33.5 x 44.9 cm
- Product dimensions (W x H x D): 22 x 24 x 37 cm
- Weight of iron: 1.22 kg
- Weight of iron + base: 3.2 kg

Guarantee

- 2 year worldwide guarantee

Green efficiency

- Energy saving mode
- Product packaging: 100% recyclable
- User manual: 100% recycled paper
