#### **Powerful performance**

- 2400 Watt enables constant high steam output

#### **Easy gliding on all fabrics**

- The perfect balance between gliding and stretching

#### **Comfortable ironing**

- Less refilling with very large 350ml water tank
- Extra-long 3 m cord for maximum reach

#### **Reaches into tricky areas**

- Steam tip allows you to have steam in hard-to-reach areas

# Highlights

## SteamGlide PLUS

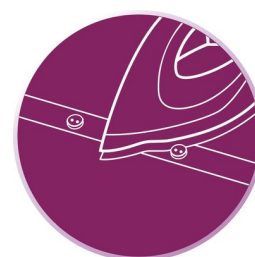

For the best results you need a soleplate that has the optimal balance between gliding and stretching. This is offered through SteamGlide PLUS with its easy glide zone and perfect stretch zone.

## Up to 40 g/min of steam

Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

## Steam tip

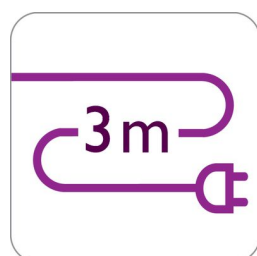

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

## 2400 Watt

2400 Watt enables constant high steam output.

## Extra-long 3 m cord

With the extra-long 3 m cord of your Philips iron, you can easily reach right up to the edges of your ironing board - and further!

## 350 ml water tank

Less refilling with the very large 350 ml water tank so you can iron more clothes in one go.

## Steam boost up to 160 g

The steam boost can be used for vertical steaming and tough creases.
