Highlights

Grill with less fat

Discover the new way of grilling your food thanks to the unique surface of this Airfryer Grill Pan. Due to the Rapid Air technology your food is cooked in a healthier way because you can cook with little or no oil. Additionally excess fat can drip away easily while grilling due to the pierced surface.

Easy food release

With the non-stick surface your grilled food is as easy to take out as to put it in. That way you get perfectly grilled meat and you could even prepare the most delicate types of food like fish and vegetables.

Maximized surface

The surface is maximized compared to the normal basket so you can easily fry or grill a whole fish, a big steak or generous portions of vegetables.

Save cooking time

Using your Airfryer Grill Pan even saves you time. Due to the unique surface and premium materials, you can save up to 20% of cooking time!*

Versatile cooking

Enable the full potential of your Airfryer and discover the endless versatile possibilities. Even if you want to fry, brown or sear, the Airfryer Grill Pan delivers delicious dishes prepared in no time!

Only little cleaning effort

Thanks to the non-stick surface your Airfryer Grill Pan is very easy to clean. Additionally you can put it in the dishwasher for your cleaning convenience.
