Highlights

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

100% fast

100% fast on the toughest fabrics, no other steam generator is faster from start to finish.

100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

Max 5.5 bar pump pressure

The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing faster and better. Steam power can be regulated to fit your needs.

Detachable watertank, 5.5 bar

1.5 litre detachable water tank for up to 2 hours of ironing without refilling.

Steam ready in 2 minutes

Steam is ready to use in 2min and can be refilled at anytime during ironing.

Easy De-Calc

Ultra long lasting steam performance: Philips' exclusive Easy De-Calc function provides the ideal way to get rid of limescale and extend the lifetime of your steam generator iron. Your iron will remind you with light and sound when to perform cleaning. Only when your appliance is cold, simply open the Easy De-Calc knob, and collect the dirty water and scale in a cup.

Lock your iron securely

Lock your Philips steam iron securely and carry your pressurised steam generator easily.

OptimalTemp

One perfect setting for all your clothes. Always the perfect combination of steam & temperature because: 1) Advanced Smart Control Processor sets the perfect combination of steam & temperature 2) The ultra powerful cyclonic steam chamber delivers powerful constant steam for all your fabrics
