Iron with easy crease removal with Ionic DeepSteam

To provide easy removal of your toughest creases, this powerful Philips steam iron with Ionic DeepSteam is what you need. Together with the SteamGlide soleplate, it gives you great gliding with powerful steam, reaching deep into the garment

Ionic DeepSteam

- Smaller steam particles reach deeper into toughest creases

Easily removes creases

- Continuous steam output up to 40 g/min

Comfortable ironing

- Double Active Calc System prevents scale build-up
- 100 g steam boost to remove stubborn creases easily

Safe ironing

- Electronic shut-off when iron is left unattended
- Drip-stop system keeps your garments spotless while ironing

Easy gliding on all fabrics

- SteamGlide soleplate is Philips premium soleplate

Highlights

Ionic DeepSteam

The ionization process creates smaller steam particles that reach deeper into the fabric. This means even the toughest creases are removed easily.

Up to 40 g/min of steam

Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Auto shut-off

The electronic shut-off automatically switches the iron off when it is left unattended or tips over.

Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Steam boost up to 100 g

Steam boost up to 100g for fast removal of even the most stubborn creases.
