- Frequency: 50-60
- Power: 1900
- Voltage: 220 - 240

### Weight and dimensions

- Product dimensions: 320 x 256 x 138

## Highlights

### Cordless steam iron

The cordless feature allows for maximum freedom of movement and maneuverability. There is a choice for the cordless mode for garments that need to be adjusted regularly on the ironing board enabling the iron to charge in the meantime, or in corded mode for continuous ironing. The selection of either corded, cordless or fixed to the stand for storage can easily be made with the three position switch.
