Highlights

Extra powerful steam

Powerful steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

XL Stainless steel steam plate

The steamer head has an XL stainless steel steam plate which delivers faster results.

Hang&Lock

Unique Hang&Lock feature locks the garment hanger and enables stability for more convenient steaming - even with your own hanger.

Adjustable pole

Integrated adjustable pole for hanging your garments while using the steamer. It is collapsible for easy storage.

Detachable water tank

1.2 L detachable water tank with special water inlet for extra hygiene.

Easy Rinse descaling function

Prolong the lifetime of your appliance by using the Easy Rinse descaling function regularly.

PVC free silicon steam hose

The steam hose is made of silicon material which is the safe and healthy choice for use with steam. As the safety and health of your family is important, no PVC is used in the steam hose.

Safe on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk.

Glove for extra protection

Included is a glove that protects your hand during steaming.
