Highlights

Extra-large water inlet

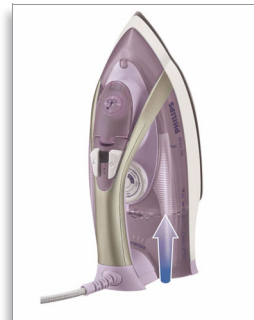

With the extra-large water inlet, adding water to your iron is quick and easy. It only takes a few seconds, and there's no more risk of spilling water everywhere!

Extra long lead length

With EasyCare's extra long 3 m lead, you can easily reach right up to the edges of your ironing board – and further!

Highly visible water level

EasyCare's extra-clear indicator makes the water level highly visible, so you always know at a glance if you have enough water.

Steam Tip

The unique Steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.
