Great coffee till the last drop

Aroma Swirl circulates coffee for optimal blend

This elegant Philips coffee maker allows you to enjoy a rich drip coffee aroma thanks to the Aroma Swirl. A smart nozzle in your coffee pot circulates your filter coffee for an optimal spread of aroma through the whole coffee jug.

Great taste and aroma

- Aroma jug preserves the coffee flavor

Easy to experience

- 1.000 Watt
- Buffer ring for protection and stability
- Water level indication for easy filling
- Swing filter holder for easy filling of coffee
- Drip stop to pour a cup of coffee whenever you like
- LED power switch lights up when the coffee maker is switched
- Cable storage for easy placement in your kitchen
- Dishwasher-safe parts for easy cleaning

Compact design

- 1,2 Liter capacity for 2 - 15 cups

Highlights

1.000 Watt

The pump of your Philips coffee machine will prepare your coffee quickly.

Protective buffer ring

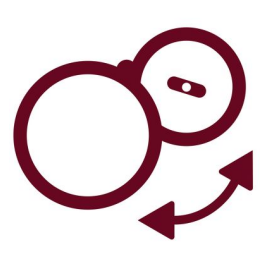

The buffer ring around the glass jug provides protection and improved stability.

Water level indication

Fill the water tank easily and precisely with the water level indication.

Swing filter holder

The filter holder is opened by swinging it to the side, which makes the filling of coffee easy. The filter holder is also detachable, for easy cleaning.
