

PHILIPS

Cordless steam iron

AZUR 2-in-1

30 g/min; 160 g steam boost

Anodilium Soleplate

2000 Iron Watts

GC4810/02

Freedom of motion, freedom of choice

Powerful steam, with or without cord

No more compromise between freedom and results. Iron with Azur FreeMotion as usual, just without the cord. Charge the iron on the base while you rearrange a garment. Tough creases? Switch easily to corded mode to have continuous power flow.

Comfortable ironing

- 2-in-1: great cordless iron and a powerful steam iron in one
- Vertical steam for crease removal in hanging fabrics
- Turbo steam releases continuous steam at a maximum rate

Easily removes creases

- Steam boost up to 160 g for the most stubborn creases
- Continuous steam up to 30 g/min for better crease removal

Easy gliding on all fabrics

- Scratch-resistant, highly durable Anodilium soleplate

Longer lifetime

- Calc clean to prevent your iron from scale build up

Highlights

2-in-1 cord/cordless function

2-in-1 function gives you a powerful cordless steam iron, which can be easily converted into a corded steam iron. Enjoy the ultimate freedom of movement in the cordless mode without changing your ironing pattern: the iron will charge itself on the docking station while you rearrange the garment. Tough fabric? Switch to the corded mode and iron as with any other steam iron.

Steam boost up to 160 g

The iron's 160 g steam boost enables you to easily remove even the most stubborn creases.

Vertical steam

Vertical shot of steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

Turbo steam

Turbo steam

Remove even the toughest creases by releasing the maximum continuous steam rate with the Turbo steam function. While the steam boost function releases a single shot of steam, turbo steam releases a continuous flow of steam at its maximum rate for a few minutes on demand.

Anodilium soleplate

Anodilium

Excellent gliding, excellent scratch resistance, excellent to clean, excellent durability!

Steam up to 30 g/min

30 g

Continuous steam output of up to 30 g/min for better crease removal.

Calc clean

Double active calc

The calc clean function enables you to simply flush your Philips iron to remove the calc particles out of your iron. This will extend the lifetime of your iron.

Specifications
