High suction power

1800 W motor for great cleaning results

The Philips PowerGo vacuum cleaner delivers 1800 W of cleaning performance with a multipurpose nozzle for any type of floor. Keep the air in your home clean and healthy, too, thanks to our Super Clean Air filter.

Remarkable results

- 1800 W motor for strong suction power

Clean air filter system

- Super Clean Air filter captures 99%+ of particles
- Re-usable dust bag

Effortless cleaning

- Long 9-meter reach goes further without unplugging
- Large 3-liter capacity means longer using time
- Onboard accessories are always at hand
- Telescopic tube comfortable cleaning

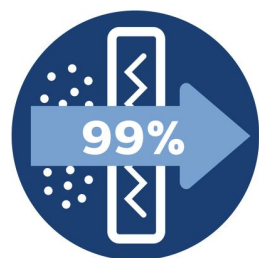

Highlights

1800 Watt motor

1800 W motor generates strong suction power for excellent cleaning results.

Super Clean Air filter

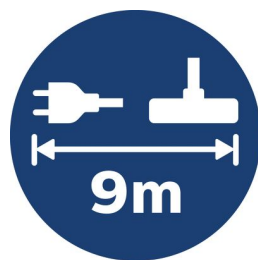

The Super Clean Air filter captures 99%+ of harmful particles – like pollen, dust mites or pet hair – so you can enjoy clean healthy air in your home.

Re-usable dust bag

Washable dust bag to avoid contact with dust.

Long 9-meter reach

With a reach of 9 meters from plug to nozzle, it keeps you cleaning longer without unplugging.

Large 3-liter capacity

The large-capacity dust chamber handles a full three liters before the bag needs washing.

Handy onboard accessories

Accessories, like a handy crevice tool, are integrated onto the vacuum so they're always at hand while you clean.

Telescopic tube for comfort

A 2-piece, telescopic metal tube adjusts quickly to any height for comfortable cleaning.
