FC9571/01

Maximum performance with PowerCyclone 7 Easy and hygienic dust disposal

The Philips Bagless Vacuum 5000 Series is our most powerful compact vacuum. Achieve maximum deep cleaning results with minimum effort thanks to PowerCyclone 7 technology and TriActive nozzle which features 3 cleaning actions in one.

Superior performance

- Powerful 1900W motor for high suction power
- PowerCyclone 7 keeps strong suction power for longer
- TriActive nozzle for 3-way thorough cleaning action
- Power control function to adjust suction power
- Allergy H13 filter system captures >99.9% of fine dust

Effortless cleaning

- Compact design with front and top handle for easy carrying
- Dust container designed for hygienic emptying with one hand
- Soft brush integrated into handle & furniture nozzle
- Soft bumper and rubber wheels to protect furniture

Highlights

Powerful 1900W motor

1900W motor generates up to 410W of high suction power for powerful performance and deep cleaning results.

PowerCyclone 7 Technology

PowerCyclone 7 technology features an aerodynamic design to minimize air resistance and ensure sustained strong suction power. Super accelerated air flow in the cylindrical chamber and unique exit blades effectively cut out the dust from the air.

TriActive nozzle

TriActive nozzle utilizes 3 cleaning actions in one go. The specially designed soleplate removes dust from deep within carpets, while the large front opening sucks up big bits. Air channels and brushes on both sides of the nozzle pick up any dust and dirt alongside walls or furniture.

Power control

Power control function easily adjusts suction for different cleaning tasks, from hard floors to soft furnishings.

Compact and lightweight

Compact and lightweight design ensure both storing and lifting the vacuum is easy. The design includes top and front handles for effortless carrying.

Hygienic dust disposal

Easy-to-empty dust container is designed for hygienic disposal with one hand, to help minimize dust cloud.

Brush & furniture nozzle

Dusting brush tool is built into the handle so it's always ready to use on furniture, flat surfaces and upholstery. Furniture nozzle is

designed for optimal cleaning of soft furnishings like cushions, couches and arm chairs, even removing pet hair.

Allergy H13 filter

Allergy H13 filter system catches >99.9% of fine dust particles - including pollen, pet hair and dustmites - ideal for allergy sufferers. Filtration level is equivalent to HEPA 13*.

Soft bumper and rubber wheels

Soft bumper and rubber wheels protect furniture and prevent floor scratches while being easy to maneuver around your home.

2 years warranty

The warranty period for this product is 24 months

Developed in Europe

Manufactured to Philips' highest quality standards.

Specifications

Performance

Input power (max): 1900 W
Input power (IEC): 1700 W
Suction power (max): 410 W
Sound power level: 72-82 dB

Usability

Action radius: 9 m
Power control: Electronic on appliance
Carrying handle: Top and front
Tube type: Metal 2-piece telescopic tube
Tube coupling: ActiveLock
Wheel type: Rubber

Filtration

Dust capacity: 1.5 L
Exhaust filter: Allergy H13 filter
Motor filter: Washable filter
Filtration level: HEPA13 level*

Nozzles and accessories

Standard nozzle: TriActive nozzle
Additional nozzle: Furniture nozzle
Accessories included: Crevice tool, Integrated brush
Accessory storage: On tubeclip
Extra accessories: Filter replacement: FC8010/02

Design

Color: Magic purple

Weight and dimensions

Weight of product: 5 kg
Dimensions of product (LxWxH): 412 x 280 x 280 mm

Sustainability

Packaging: > 90% recycled materials
User manual: 100% recycled paper
