Delicious roasted food with virtually no smoke Accessory for Avance Indoor Smoke-less grill

This stainless steel rotisserie is designed exclusively for Avance Indoor Smoke-less grill. It enhances the versatility of the grill by providing an alternative way to roast chicken, pork or lamb to the perfection with virtually no smoke.

Perfectly roasted chicken, pork and lamb

- Automatic rotation ensures uniform roasting
- Elevated position ensures golden, crispy skin and juicy meat

Optimized usage experience

- Foldable stainless steel frame for easy install and store
- Sturdy hooks hold the ingredients in place
- Easy cleaning with removable, dishwasher-proof steel parts

Highlights

Automatic rotary skewer

Perfect for chicken, pork, lamb and duck. This automatic rotary skewer comes with consistent rotation speed ensuring your food evenly roasted and crispy skin to seal in natural juices.

Elevated position

The elevated position allows heat circulation, so you're guaranteed a perfectly cooked bird with crispy, golden skin.

Easy storage

The unique designed frame can be folded flat. Easy to set up and store in the cabinet.

Sturdy hooks

Sturdy hooks hold ingredient in place steadily and ensure the steady rotation process.

Easy to clean

The detachable components of the rotisserie can be dismantled and cleaned. The frame and skewer are dishwasher safe.
