HIGHLIGHTS

SPECIFICATIONS

Adjust your Espresso

The settings in this Gaggia Espresso machine allow you to adjust the body and aroma of your coffee to suit your taste, while maintaining a perfect crema.

Digital display

Whatever you want to do with your Gaggia - the digital display makes navigation much easier and gives instant feedback on the status of your Espresso machine.

Pre-brewing

Pre-brewing ensures that the ground coffee is evenly moistened before the actual brewing process. Only then the water flows through all of the ground coffee and your Gaggia Espresso machine can extract the full aroma for a balanced and tasty Espresso.

Removable brewing group

The removable brewing group in your full-automatic Espresso machine allows for easy cleaning and maintenance and can even be replaced separately if necessary. This saves money and increases the machine hygiene for a flawless coffee taste.

Stainless steel body

The case of your machine has been skillfully manufactured from stainless steel. This makes your Gaggia more robust, ensures long-lasting performance and is an eye-catcher in every kitchen.

15 Bar

The 15bar pressure of your Gaggia coffee machine will make sure you always get the authentic Espresso taste.
