# Highlights

## Automatic 12 hours keep warm

Use the keep warm function to keep rice warm for a longer period of time. When the cooking process is finished, the rice cooker automatically switches to the keepwarm mode

## Intergrated handle

Convenient to carry the rice cooker away from the kitchen, or to serve rice in dinning room

## One-touch button

One press button to control cook or keep warm, with clear light on the panel to show cooking status

## non-stick inner pot

The Philips rice cooker is specially coated with the non-stick material which is more durable and easy to clean.

## water level indicator

Clear water level marking shows capacity and rice-water ratio
