Enjoy great toast together

Toaster for always golden brown bread

Philips toaster with independent double 2-slice operation and variable width slots. Toast up to 4 slices, thick or thin, evenly golden brown. Features cancel, defrost & reheat button, variable browning control and removable crumb tray.

The easy way

- To toast 2 slices independently or 4 at the same time
- Reheat setting warms or further browns just toasted bread
- Defrost and toast frozen bread at any browning level
- Removable crumb tray for easy cleaning

Enjoy great toast

- Evenly toasts thick or thin slices
- Extrawide and extradeep slot(s) to fit your bread

With maximum safety

- The outside of the toaster stays cool and safe to touch
- High lift feature to safely take out small pieces of bread
- Cancel button to stop toasting at any time

Highlights
