## Fast and powerful ironing

Iron with 2-min quick start, refill any time

Created to speed up ironing from start to finish, the Philips InstantCare steam iron GC7530/02 is ready to use in 2 minutes. The power of the pressurized steam speeds up ironing by penetrating deeper into the fabrics to remove the creases.

### Fast and powerful ironing

- Continuous steam up to 120 g/min
- Up to 5 bar pressure

### Comfortable ironing

- SteamGlide soleplate is Philips premium soleplate
- Lightweight iron for effortless ironing
- 3 ways of automatic shut-off

### Easy to use

- Start quickly: less than 2 minutes start-up time
- Refill the watertank at any time, even during ironing
- Permanent anti-calc tablets inside delay scale build up
- Save 30% energy and 40% water consumption

# Highlights

## Continuous steam

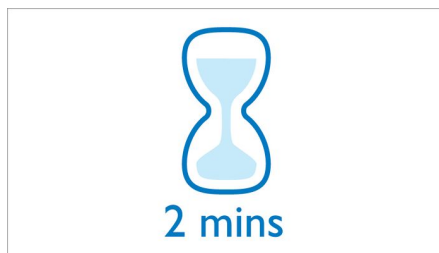

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

## SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

## Quick start: < 2 minutes

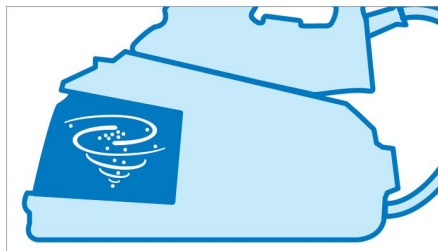

This system iron is ready to use in less than 2 minutes.

## Refill the watertank any time

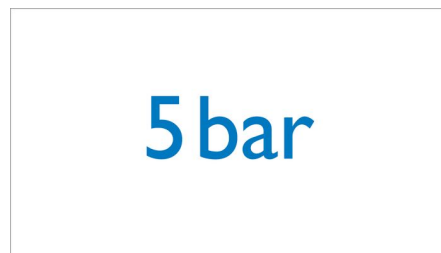

The separate watertank allows you to re-fill the watertank any time, even during ironing, without waiting.

## Anti-calc Tablets

Permanent anti-calc tablets delay the formation of scale build up ensuring better protection for your system iron

## Up to 5 bar pressure

The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing faster and better. Steam power can be regulated to fit your needs.

## ECO setting

# ECO

Save 30% energy and 40% water consumption by selecting the eco-setting. The eco-setting offers the most energy efficient way to obtain perfect ironing results.

# Specifications
