- Extra handle for easy carrying with cord winder function
- Advanced dust container design for easy emptying

Extra reach for perfect cleaning results

- Crevice tool help you to clean your furniture.
- Reach all corners thanks to the extra long ergonomic grip

Highlights

PowerCyclone technology

The PowerCyclone technology delivers best cleaning results in one go through 3 highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber. 3) At the top of the cyclone, the exit blades effectively cut out the dust from the air.

Crevice tool

Crevice tool help you to clean your furniture.

Easy to clean filter

Washable foam filter for life-long performance.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

Extra handle for easy carrying

Extra handle for easy carrying with cord winder function.

Light weight and compact

You can easily carry and roll the vacuum cleaner around when cleaning thanks to its light weight and small size.

Small sized appliance

Small sized appliance for compact storage.

Easy to empty dust container

Dust container is perfectly designed to dispose dust without creating a dust cloud. 1 button bottom lid operation makes cleaning easy for you.
