- Powerful rechargeable batteries

#### **Lasting suction power**

- 2-stage filter system prevents early clogging

#### **Easily cleans delicate surfaces and narrow spaces**

- Brush tool, crevice tool and bendable crevice tool

# Highlights

## Extended nose piece

The Philips Mini Vac FC6051 series has a long, narrow nose especially designed for precision cleaning. The extended nose piece makes it easy to clean in corners and along curves.

## Slim charging base for wall and table

You can store the Philips Mini Vac on a convenient charging base, mounted on a wall or placed on a table. This means the Mini Vac, with its powerful rechargeable battery, is always ready when you are.

## Powerful rechargeable batteries

The Philips Mini Vac's rechargeable battery gives you the freedom of cordless cleaning wherever you want.

## 2-stage filter system prevents early clogging

The Philips Mini Vac's 2-stage filtration system ensures that, once inside, dirt cannot escape. The first filter blocks most dirt, while the pleated, second filter traps the finer dust particles.

## Brush tool, crevice tool and bendable crevice tool

The Philips Mini Vac comes with a number of accessories to tackle any job with ease. The soft brush attachment is gentle on delicate surfaces and the bendable crevice tool and crevice tool let you clean even those awkward, hard-to-reach places.
