

Philips FastCare Compact
Refurbished Steam
generator iron

Refurbished product

Max 5.2 bar pump pressure
1.3-l fixed water tank

GC6709

Iron faster with 2 x more steam*

Powerful, continuous steam works faster than a steam iron, with an easy-to-refill water tank and quick heating up. Compact and lightweight for easy storage.

Fast and powerful

- Ceramic soleplate for durability and easy gliding
- Powerful steam for ultimate crease removal
- Calc-clean container included — no cartridges, no extra cost

Compact and convenient

- Lightweight and compact for easy use and storage
- Large tank for long use

PHILIPS

Highlights

Ceramic soleplate

Our durable ceramic soleplate glides well on all garments. It is non-stick, scratch-resistant and simple to keep clean.

Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board. Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away

with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Smart descaling

Our built-in descaling system, Smart Calc Clean, reminds you when you need to descale. It also includes a container to make descaling easy. This means no cartridges are required and there are no additional costs.

1.3-l water tank

A 1.3-litre transparent tank gives you more than 1 hour of continuous use. See clearly how much water is left and refill easily at any time under the tap through the large filling door.

Specifications

Technology

- ProVelocity steam engine

Fast crease removal

- Continuous steam: Up to 110 g/min
- Power: 2400 W
- Pressure: Max 5.2-bar pump
- Ready to use: 2 min
- Steam boost: Up to 200 g
- Steam-on-demand
- Vertical steam
- Voltage: 220-240 V

Easy to use

- Soleplate gliding performance: 3 stars
- Soleplate name: Ceramic
- Water tank capacity: 1300 ml
- Hose length: 1.6 m
- Power cord length: 1.65 m
