- Heating-up and ready-to-cook light
- Cool touch handle

Easy to clean

- Easy cleaning thanks to non-stick coated plates

Easy to store

- Vertical storage position
- Cord winding facility

Highlights

Adjustable thermostat

Adjustable thermostat ensures the perfect result.

High power

The high power of the appliance enables the grill plate to heat up quickly, reaching operating temperature very fast and saving you precious time. It also means that the grill

surface keeps its heat when food is placed onto it because the high power ensures a fast recovery to the correct temperature.

Cut and seal plates

The cut and seal plates cut the sandwiches and seal them, keeping the filling inside the sandwich.
