Iron with Ionic Deepsteam

This new Philips Azur steam iron comes with the unique Ionic Deepsteam function giving you the best results on tough creases like cotton and linen. Together with its optimized weight and design this iron is designed for perfect results.

Easy gliding on all fabrics

- SteamGlide soleplate is Philips premium soleplate

Designed for perfect results

- Optimal design to manoeuvre the iron easily over the garment
- Lightweight to move the iron easily on and off the board
- Steam tip allows you to have steam in hard-to-reach areas
- Automatically turned off for safety and energy saving
- Sideways opening filling door

Easily removes creases

- 200 g steam boost
- 2600 W for quick heat up and powerful performance
- Steam output of up to 50 g/min for better crease removal

Ionic DeepSteam

- Smaller steam particles reach deeper into toughest creases

Highlights

Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Easy to handle

The Philips steam iron is designed to manoeuvre it easily over the garment and enabling you to reach easily even the hardest to reach areas.

Lightweight iron

The iron has an optimal weight of 1.6kg making it easy to constantly place the iron on the board and back to its heelrest.

200 g steam boost

200 g steam boost

2600 W for quick heat up

2600 W for quick heat up and powerful performance.

Steam up to 50 g/min

Continuous steam output of up to 50 g/min gives you the perfect amount of steam to efficiently remove all creases.

Ionic DeepSteam

The ionization process creates smaller steam particles that reach deeper into the fabric. This means even the toughest creases are removed easily.

Safety auto off

The safety auto off function automatically switches off the appliance if it has not been used for 5 minutes, to save energy.

Easy filling

Sideways opening
