Highlights

Pro Blend 4 technology

Pro Blend 4 star blade combined to create perfect end results for your smoothie and food preparation. It makes your tough blending made easy! The newly designed blade will blend and cut the ingredients effectively and make a perfect smoothie for you and your family

400 watts

The perfect power combining great performance for crushing ice while saving energy.

2L plastic jar

Big 2 litter super resistant plastic jar with extra large spout for recipes to all your family with easy serving.

Ice function + Auto-clean

Special speed setting button for ice crushing and auto clean bringing more variety and easiness to your blending experience.

2 speeds + pulse to crush ice

For the best performance blend at high or low speed and even crush ice with the special ice speed setting.

Mayonnaise Function

Exclusive hole in the lid for pouring the oil gradually while making the perfect mayonnaise.

Secure lock

Front marks in the blender housing assures that the jar is locked correctly for a safe blending usage.

Non Slip Rubber Feet

The robust base is composed with non slip rubber feet to assure that the device doesn't move even when blending the hardest ingredients for a safer usage.

2 years warranty

Philips Walita offers a full 2 years global warranty for this product to ensure you have long lifetime blender to use every day.

Cord storage

Cord storage in the housing for a practical storage of your blender in your kitchen.
