## Discover a fuller, richer flavor

SENSEO® coffee boost gets the most out of your pad

The SENSEO® Viva Café Style coffee machine, with contemporary premium finishing, maximizes the coffee taste thanks to the innovative SENSEO® coffee boost technology. And it offers you to choose between shorter, stronger or regular coffee.

#### **Stylish and premium design**

- New innovative finishing perfectly complements your kitchen
- Adjust the coffee spout to fit your favorite cup or mug

#### **Enjoy the best tasting SENSEO® coffee**

- Delicious coffee crema layer as proof of SENSEO® quality
- Coffee Boost gets the most out of your SENSEO® coffee pad

#### **Coffee variety for every moment**

- Vast variety of SENSEO® coffee blends and flavors
- More choice, simple switch between 2 different coffees

#### **Fast and easy operation**

- The only coffee pod maker that brews two cups at a time
- Adjustable spout to fit your favorite cup
- 30-minute auto shut-off for energy saving and safety
- Direct start to switch on and brew coffee at only one touch

# Highlights

## Coffee Boost technology

Coffee Boost technology disperses the hot water, via 45 aroma nozzles, evenly through each SENSEO® coffee pad. Get the most out of your coffee pad for the best tasting SENSEO® coffee.

## Innovative finishing

This premium coffee machine is the most stylish and high end model of the whole SENSEO® range and has been designed to perfectly fit into your kitchen space.

## Intensity switch

This new SENSEO® appliance offers you more choice as it has an extra coffee recipe setting. Next to the long, smooth SENSEO® coffee you can choose as well to make a strong, smaller SENSEO® coffee by simply switching

the knob. Boost your coffee for moments where only an extra strong, short SENSEO® coffee will do.

## Adjustable spout

By raising or lowering the spout you can adjust your SENSEO® coffee machine to the size of your favorite cup or mug.

## Delicious coffee crema layer

The fine SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and quality.

## Variety of blends and flavors

SENSEO® has a vast variety of different coffee blends and flavors. Each blend has its own

distinctive taste to fit your personal preference.

## 1 or 2 cups at the same time

Prepare 1 or 2 cups of your delicious SENSEO® coffee in less than a minute.

## Automatic shut-off

The SENSEO® coffee maker automatically shuts off after 30 minutes after making coffee, for energy cost saving and appliance safety.

## Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.
