## 100% Safer, Healthier, Worry Free

Philips tailor-made soymilk maker HD2060/02 for Chinese consumers, using 100% food grade lubricant, with more-safe anti-splash caps, making using and cleansing more safe, so that frees you to enjoy fresh and smooth homemade soymilk.

### Safe to use

- 100% food-grade lubricant on motor shaft seal & bearings
- Cover protects power connector for safer washing

### Easy cleaning

- Dedicated "Easy Clean" button for increased convenience
- Smooth surfaces are easier to clean
- Enlarged bottom radius of inner pan allows for easy cleaning

### Easy filtering

- Finish filtering in one pour without stirring

### Less residue, more milk

- Advanced cutting & grinding technology for less residue

### Easy to use

- Four programs to enjoy your favorite drink easily

# Highlights

## 100% food-grade lubricant

100% food-grade lubricant on motor shaft seal & bearings

## Smooth surfaces

Smooth surfaces, without screws or protruding edges, are easier to clean

## Advanced cutting & grinding

Advanced cutting & grinding technology significantly reduces residue and delivers more soymilk

## Power connection cover

This cover prevents water from entering the power connector, making washing safer

## Enlarged bottom radius

The enlarged bottom radius of the inner pan allows for easy reach, so you can give it a clean sweep in one go.

## Favorite drinks made easily

Making your favorite drink is easy by selecting the right program, including dry/soaked soymilk, five grains soymilk, rice paste & veggie/fruit juice

## "Easy Clean" button

Pressing the "Easy Clean" button starts preliminary cleaning by heating up and stirring the water, allowing for easy cleaning at your convenience with less effort

## Specially designed sieve

Finish filtering in one pour without stirring thanks to the specially designed sieve

# Specifications

## Accessories
